D3Corp Launches New High-Profile Web Presence

OCEAN CITY, MD (January 26, 2012) – Ocean City area’s largest web technology and e-marketing firm, D3Corp, announced today that it has completed development of its new, updated web presence at www.D3Corp.com.

Showcasing work completed for clients throughout Maryland, Ocean City, and the Delmarva Peninsula, the new site displays a portfolio of D3’s capabilities with a modern design and navigation.

“Our team had fun developing a new site to better showcase our design talent, as well as some of the work that we have had the privilege of performing for many clients”, stated Jay Bosley, Chief Operating Officer of D3Corp. “With the addition of print services, now that we have completed the merger with Lynch Printing, we wanted a new site to reflect a full showcase of D3 service offerings.”

D3 has completed over 1,400 websites for clients throughout the United States. Using their proven process of professional project management, creative design, and technical website development, the D3 team resides locally at their office off of Ocean Gateway (RT 50) across from the Ocean City Chamber.

About D3Corp

D3Corp has been serving the Delmarva community and its customers for over 15 years. D3Corp is a full service web development and e-marketing firm specializing in custom web site design, database programming, E-commerce solutions, mobile websites and apps, social marketing, and print solutions.

With clients from all over the United States, the company offers innovative, creative, flexible and cost-effective web site designs for corporations, organizations, hotels, restaurants, professionals and individuals. D3 can create websites from scratch or give a fresh look or additional functionality to an existing website. D3 also manages online stores for clients to sell their products and services to people all over the world.

The company operates its own hotel reservation system, used by over 100 hotels and motels. While using D3Corp’s hotel reservation website, travelers to destinations such as Ocean City can earn free vouchers to local attractions and restaurants, thereby helping the community with the promotion of more local businesses.
